

Astoria & Warrenton Area Attractions ----- COVID-19 Status Update

*The State of Oregon requires everyone to wear a face covering upon entering an indoor public space. In addition, effective July 15, face coverings are required in outdoor public spaces when physical distancing is not possible. Some facilities may have limited guest capacity, one-way direction on trails and paths, and reduced access to exhibits to help with distancing between guests.
Contact the venue directly if you have specific questions or visit them online for more details.*
